

POSTDOCTORAL RESEARCH POSITIONS

The Centre for Mathematics of the University of Coimbra (CMUC) invites applications for one-year postdoctoral research positions, beginning September 2009.

Applicants should have a PhD in Mathematics (preferably obtained after December 31, 2006) and a good command of English. They must show considerable promise in one of the areas of research in which the members of CMUC are currently active. Information about CMUC is available at

www.mat.uc.pt/~cmuc

The positions obey the Portuguese scholarship system and the corresponding salary is €1495 per month (tax free). No teaching duties are associated with the positions.

Applicants should send

- cover sheet (available from www.mat.uc.pt/~cmuc/cover-sheet.pdf)
- *curriculum vitae* (publication list included)
- statement of research interests (one page maximum)

and arrange for two letters of recommendation to be sent directly to

Centre for Mathematics
University of Coimbra
3001-454 Coimbra, Portugal
cmuc@mat.uc.pt

The deadline for applications is **January 31, 2009**.
